## Acroguard 3X

Premium All Weather Exterior Emulsion

Acroguard - 3X is a multi functional exterior water thinnable coating which offers a unique combination of long lasting decoration and durable protection for your building. Its specialized formulation provides optimized flexibility and hardness coupled with anti algal & anti fungal properties.

\* With Silane Technology

## Acroguard

Premium Acrylic Emulsion with Silicone

Acroguard is a long lasting exterior paint based on high performance 100% acrylic emulsion with silicone, light fast pigments, additives, micronized and siliceous extenders to provide a very durable finish. It forms a strong bond with the surface and withstands all kinds of climatic conditions as well as the alkalinity of plaster. It retains its colour and protects the surface from fungus, algae, chalking and peeling for years.

\* With Silane Technology
